**McGrath Modular Wins \$25m Subcontract with Pindan Contracting**

---

Nomad Building Solutions Limited (ASX: NOD) is pleased to advise that its wholly-owned subsidiary McGrath (Smarter.Modular Buildings) has been awarded a major subcontract from Pindan Contracting Pty Ltd valued at \$25m for work on the Chevron operated Wheatstone Project, Western Australia.

The subcontract is a design and construct agreement for the supply and complexing of 50 highly detailed modular houses to be located in Onslow, approximately 1,370kms north of Perth. Fabrication is anticipated to begin in November 2015 with completion late 2016.

Chief Executive Officer, Heather Gardner said: “partnering with Pindan for the construction and installation of 50 modular homes for Chevron Australia at the Barrarda Estate Onslow represents a significant project win for McGrath. This project highlights that our products, design solutions and strategic problem solving approach are adaptable with these houses specifically designed for one of the most cyclonic regions in WA”.

The McGrath business continues to perform well with a return to profitability in the second half of FY2015. This project win further enhances the outlook for continued growth in profitability for FY2016.
